

2026 Sponsorship Opportunities

Sponsorship provides a way for you to reach our ever-growing base of visitors and supporters. Through our various events, website, social media and newsletter we reach thousands of residents and visitors. Hundreds of hikers, bikers and nature and history lovers visit the properties we protect. These visitors and our volunteers are active in other aspects of the community as well. Some are new to the area, but most are residents who come again and again to hike the trails in Red Fox Ravine, join the work parties at the Forest Sanctuary or simply sit for a while at one of our Parklets. Our events draw a wide range of participants who celebrate the seasons with others committed to open spaces and enjoy these protected lands. No matter what your business is, these are people you want to know – you want them to be your customers.

We will work with you and your marketing team to craft a sponsor package that connects you to the people you most want to reach. Here are some possibilities:
